###

About the Greater Worcester Community Foundation

Greater Worcester Community Foundation is a philanthropic organization that enables local citizens to create positive change within our region. Established in 1975, this permanent endowment is used to create personal and lasting legacies that improve lives and conditions within the community. The Foundation has awarded more than \$123 million to cultural educational, human service and civic organizations. Today, the Foundation stewards a charitable endowment exceeding \$153 million in over 600 named funds. For more information, visit www.greaterworcester.org.
